Dear Friends:

With joy I received notification from my financial organization – Action International Ministries, -- that you have been so gracious to respond positively to our request for support for the Ministry to Seafarers.

We have just returned from another assignment on board one of the ships. It has impressed me again that we had so many opportunities to be in touch with such a variety of people. We contacted them and presented them with a copy of the Scriptures in their native language (Thai, Bulgarian, Serbian, Croatian and Spanish) besides English.

To be in touch with people from around the world who come to our North American Ports just temporarily to then return to their native countries with a witness to our Lord and Saviour Jesus Christ and the written testimony of his presence on earth reflected in the Bible is indeed unique.

I also came into contact with Officers I had been in touch with 10 and 11 years ago at which time I had occasion to write them a biblical “prescription”

The continued witness to the variety of people coming to our ports constitutes a valuable ministry,

We express our sincere thanks and appreciation for your prayers and support to maintain this work.

Most cordially yours, in His Service,

The Rev. Hans Uittenbosch

*What a delight to
