Dear Friends:

Thank you so much for your continued support of the  
Ministry to Seafarers.

Your help enables us to make this ministry possible.

To board the Cruise ships and provide personal pastoral care for the people  
on board is a unique experience.

The areas inaccessible for passengers are open to us. We are able to mix  
with the Staff wherever they are on board.

The Senior Staff ordinarily encourages us to be in touch with the multi-  
national crew.

The Staff sees us as a spiritual guide and feel confident to  
listen and talk to us.

---- He comes from Nepal, a country with some of the highest mountains.  
Yet he is now sailing on some of the deepest sections of the seas. I still recall  
how excited he was when I gave him a copy of the New Testament in his  
native language. He just e-mailed me and reported that his life is now  
directed by God. He entrusts his future to Him. I think he is confidently  
walking with God.

---- She is from Romania and he is from South America. I met them last  
year. They got married. That was an occasion for me to present them with a  
copy of the guideline for life: A Rumanian and a Spanish Bible. Just got an  
e-mail from them asking when we were going to see them again.

The Lord provided the way. On Saturday we are scheduled to sail on the  
ship on which they work.

We wish you a blessed Easter as we remember that the door to life  
everlasting has been opened up by Him, who conquered death.
