Dear Congregation of Trinity URC,

Thank you for sharing Westminster California's vision to educate men who desire to proclaim the riches of Christ to the world. We truly appreciate your commitment to assist students through the Trinity International Scholarship. It is a blessing to our students! (Please see the two notes enclosed.)

This year the Trinity URC Scholarship has gone to Daniel Chew, William Yap and Yohan Shin. You may remember Daniel (from Singapore), who received your scholarship last year. Daniel continues to make progress in the MDiv program and is scheduled to graduate in spring of 2013. William is also from Singapore. He is here with his wife and two young daughters. He too should be graduating with a Master of Divinity in 2013. Yohan is Korean and is familiar with missions since his parents are currently missionaries in Hungary. Yohan is involved in the children's ministry at the Cerritos Presbyterian Church.

If you have any questions about recipients or the Scholarship, please feel free to contact me. Thank you for your continued support.

Warmly,

*Barbara Clark*

Dear Sir

**TRINITY URC SCHOLARSHIP**

I thank the Lord for blessing me through the scholarship offered by Trinity URC.

Your scholarship award is being used to offset my tuition fees at Westminster Seminary California (WSC). This has helped to reduce my financial burden considerably, and I thank the Lord for showing his kindness to me through you. This scholarship has enabled me and my family (who are with me in Escondido, CA) to be far less distracted concerning our finances, and will go a long way in helping me to complete my seminary studies.

Upon completion of the MDiv programme at WSC, I plan to return to Singapore to serve in my home church, which sees the Lord's commission as both building up his people in Singapore as well as sharing the gospel in China, through our church plants there. As I have mentioned in my scholarship application submitted to WSC, there is so much more to be done for the Lord (Matt 9:37-38), both within Singapore and abroad, and it is my prayer that the time I am spending at WSC will equip me to serve the Lord well in future, in a manner which pleases him.

Thank you once again for your generosity, which is a reminder of the generous gift from the Philippians to Paul, and I pray that the Lord will bless you abundantly (Phil 4:18-20).

In Christ,

Trinity URC

Dear beloved saints in Trinity URC,

I would like to thank you all for the scholarship you have provided to me. Your scholarship has greatly helped me in keeping my tuition fees low and thus my studying at Westminster affordable. I have been learning a lot through my studies, of which I am in my second year, which will be helpful for future ministry wherever I go.

As I come from Singapore, I have a burden for the country, as well as countries in the Asia-Pacific region. I desire that what I have learned will be used to edify believers in Singapore as well as other countries, if our Lord sees fit to open opportunities there. The level of theological knowledge is appalling in these countries and the Church needs to proclaim the whole counsel of God in those dark areas. Lord willing, I hope to seek ordination and minister in the Asia-Pacific region.

Yours truly,
